

Trade up to TACO's **New Grand Slam 300** Outrigger Mounts OR Carbon Fiber Poles - *Even If You're Using a Competitor's Setup!*

Dealers - Earn \$250 with Upgrade to New TACO Outrigger Mounts OR Poles

Check out the **NEW Grand Slam 300** - a stainless-steel/polished, anodized aluminum, single-handle Outrigger Mount. Single-Handle Operation is Here!

- No port or starboard designation
- Enables lift and rotation of outrigger poles from the safety of the deck
- Base hole pattern matches the industry standard hole pattern for top-mount outrigger systems
- Unique, locking flip handle

Introducing our **Open Water Internal & Collapsible Carbon Fiber Outrigger Poles** for the ultimate in sport fishing. These poles were a 2024 Miami International Boat Show Innovation Award Winner!

- Available in 19' and 22' lengths
- 3-section pole with patent-pending latching Twist & Lock mechanism connection
- Adjustable base/butt for perfect halyard, trolling alignment
- Internally rigged with 400-pound mono halyard line in three distinct colors
